

THE FIRST TEE OF LAKELAND

Since 2005 The First Tee of Lakeland has provided more than 7,000 young people of all ages and background an opportunity to develop life enhancing values through the game of golf. The Life Skills experience is one of the unique features that separates The First Tee from many other junior golf programs.

The First Tee Life Skills experience is used to further enhance and instill the inherent values of the game of golf, and show participants how these values transfer into other aspects of their lives. Students are taught how to make decisions by thinking about the possible consequences, how to set goals, how to define those goals, the importance of maintaining a positive attitude as well as the importance of showing respect for others. These lessons are all taught through The First Tee's nine core values which are:

- Honesty
- Integrity
- Sportsmanship
- Respect
- Responsibility
- Confidence
- Perseverance
- Courtesy
- Judgment
